BVIT Privacy Policy

The Committee of Blind and Vision Impaired Tenpin Bowling Australia (Inc) is committed to the protection of the privacy of Member's personal information.

Blind and Vision Impaired Tenpin Bowling Australia (Inc) collects and administers personal information for the purpose of administering tenpin bowling for Blind and Vision Impaired Bowlers in Australia as defined by our Constitution.

Blind and Vision Impaired Tenpin Bowling Australia (Inc) is bound by [The Privacy Act 1988](#) which defines the process of collection and storage of its Member's personal information.

The Association maintains the following principles as a minimum standard in relation to handling Member's personal information.

- To collect only information which the Association requires for its primary function;
- To ensure that Members are informed as to why we collect and administer this information;
- To use and disclose personal information only for our primary functions or a directly related function;
- To store personal information securely, protecting it from unauthorised access;
- Not on-sell personal information;
- To provide Members with access to their own information, and, in the event of errata, the right to seek its correction.
